

Snugpak Yoke Instructions

1.

Zip the two paks together

2.

Fold the Yoke over and locate the 4 clips close to the middle

3.

These clip into the top of the two pouches

4.

These two clips connect nearest the zip

5.

The big clips go together to make the belt strap

6.

Undo middle clip on pouch to clip in first shoulder strap on Yoke

7.

The final strap goes into the outermost clip
